Dear TCA Members & Prospective Members:

The Tremont Commerce Assn is a group of area business people working together to better serve our community.

Meetings are usually held from noon to 1 pm the third Tuesday of the month at the Community Center. A \$12 box lunch is offered (by reservation), a business meeting is held, and a program to follow. You may also brown bag your lunch if you would like.

As a member, you can purchase Commerce Gift Checks. We sell them for \$10 & above. The “payable” is left blank. Just write in the name of the business where you will be using the check and deposit into your bank account like any check to get your credit.
