Summer Movie Night at City Park

This is a joint program with Tremont Parks and Tremont Commerce Association.

Bring a blanket or lawn chairs for this all ages program (families are encouraged to come, but you don't have to have kids to enjoy the movie!) Find us in the large shelter at City Park. We will have a small concession stand and the movie will start after the sun sets, approximately 8:30PM.

District 702 Early Childhood Screening

Tremont School District #702 will be holding an Early Childhood Screening on Thursday, August 22, 2019.

All children ages 0-5 living in District #702 are eligible. This is not a Turk Center or Kindergarten Screening. The purpose is to screen developmental levels in motor skills, general knowledge, social skills and speech/language skills in order to access the need for special education services. Further evaluation may be recommended.

If you have concerns in the areas listed or would like reassurance that your child is progressing well you can call and make an appointment with Lisa Miller.

Tremont Torpedoes

Sadly, the Tremont Torpedoes 2019 season has come to an end.

We held our last Meet on July 20th, the Tazewell County Meet, where we faced off against the Morton Otters, the Washington Water Jets, and the Pekin Water Dragons. It was a tough meet and we walked away with second place for the day!

Our record for the season was 6-2. Pretty incredible considering the tough opponents that we faced. Our swimmers worked hard this Summer and it shows in how much every one of them improved over the season.

As we close out our season, we want to appreciate all of our amazing sponsors who make it possible for us to keep the program going. Thanks to all of our parents and volunteers who make the Meets possible. The Torpedoes are a parent run organization and we couldn't do any of this without all of our volunteers pitching in and helping out.

Lastly, a big THANK YOU to our coaches, Curt Herrin, Amanda McKinley, Luke Porritt, Nate Porritt, Jaid Sellers, and Brady Hild. Their passion for the sport shows through in every practice and every Meet. We are truly blessed to have had such an amazing staff this past season.

The Tremont Torpedoes is a summer recreational league intended to introduce kids of all ages to the sport of swimming. Sign ups for our 2020 season will begin next Spring. If you're interested in learning more about the program, whether you have a swimmer that might be interested or you want to sponsor the team, we'd love to hear from you! Did you know...?

In the 1900s, itinerant photographers traveled from town to town, taking photos of people with their own treasured bicycles, horses, etc., or they would bring props for people to use.

Once cameras for personal use became widespread, itinerant photographers began to disappear.
