No School

There will be no school next week, as the ban from the State Board of Health has not been lifted. Schools can open only under medical supervision, and Tremont and vicinity has not the physicians to spare for this at the present time. No school for so long makes it bad for both teachers and pupils, but under all conditions the school will be concerned.

Jibben, Shields

The marriage of Ben. H. Jibben of Green Valley and Miss M. Shields of Allentown took place at 2 p. m. of the officiating clergyman, Rev. W. Ballenger, in Tremont. The ceremony was held on Oct. 22, but the illness of both the young people with influenza caused a postponement and change of plans. Following the ceremony a wedding reception was given at the home of the bride in Allentown. The newly wedded pair left the next day for their future home on a farm near Kenney, De Witt county, followed by the well wishes of their many friends in this section.

For the second year, we have been humbled and thrilled with the response to Tremont Hometown Christmas, which took place last Saturday evening downtown. It takes a village to pull off an event of this scale, and we couldn't be more grateful to ours!

Many thank yous are in order, far more than we can list here, but firstly to all who came out and enjoyed the event, we thank you! All our group's efforts over the last six months of planning were worth it as we watched the community tree lighting, sang carols together, saw your kids get their picture with Santa, and enjoy the presence of friends and neighbors.

To all who supported our lighting campaign, we thank you! Each donation was a help, and we exceeded our goal, which means we can start working towards next year's event! To

each business and organization that hosted an event or activity that night, we thank you. As you head into the rest of this holiday season, we encourage you to remember their generosity and continue to support Tremont businesses with your patronage!

If you have constructive feedback or suggestions for next year, we welcome it! Send us a message on our [Facebook page](#).

Updates from Tremont Grade School

On Tuesday, December 3, representatives from the American Heart Association visited Tremont Grade School to conduct a hands-on workshop focused on hands-only CPR.

During the session, students learned the importance of this life-saving technique and how to perform it effectively in emergency situations. Hands-only CPR, which emphasizes continuous chest compressions without the need for rescue breaths, is an essential skill that can significantly increase the chances of survival for individuals experiencing cardiac emergencies. The event highlighted the critical role that education plays in promoting safety and preparedness in the community.

On Thursday, December 5, Tremont Grade School proudly hosted its annual Christmas program at Tremont High School. The event showcased the hard work and dedication of Mrs. Arstein and her talented students, who delivered an outstanding performance filled with holiday cheer. The program featured a variety of festive songs, delightful skits, and heartwarming moments that captivated the audience. Families, friends, and members of the community gathered to celebrate the season and support the young performers, making it a memorable evening for everyone involved.
