## NHS & Red Cross Blood Drive

THS's National Honor Society is partnering with the Red Cross to host a blood drive on April 9th. The Drive will be in the band room and will run 12:00 pm-6:00 pm. You can use the link below to sign up. Participants must be 16 years old to donate (Participants under the age 17 will need to have parent sign off and we have forms for that).

One very cool thing about this blood drive is that the amount donated gets "returned" to our students in the form of Red Cross scholarship opportunities. The more blood donated the higher the scholarship value is. Each year an NHS senior is then selected to receive a Red Cross scholarship. So not only are you saving lives by donating, you are also helping to raise scholarship funds for our students!
